

National Innovation Foundation- India (NIF)

# Dr APJ Abdul Kalam IGNITE Competition 2017

*An original technological idea and innovation contest for school students and dropouts upto the age of 17 years*

NIF is looking for creative technological solutions for everyday problems, problems that have been there for long. We don't want you to live with them but solve them.

NIF is looking for new machines/gadgets or technological improvements in existing ones that can make life or work easier for yourself or others.

NIF is looking for great practical technological ideas that have the potential to be converted into reality.

**NIF will provide technical and financial support to the most unique and innovative ideas and innovations along with possible patent support & business development opportunity.**

*If you think you have a creative idea, come and participate.*

**Last Date  
August 31, 2017**

**Award declaration  
October 15, 2017**

the birth day of Hon'ble former President of India Dr APJ Abdul Kalam celebrated as the
